In re application of:

Douglas ALLARD

Appl. No.: 10/656,400

Filed:

September 4, 2003

For:

PREFILTER FOR WATER

TREATMENT

Art Unit: Not Yet Assigned

Examiner: Not Yet Assigned

Atty. Docket: 11533.0026.NPUS02

Information Disclosure Statement

Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Sir:

Listed on accompanying Form PTO-1449 are documents that may be considered material to the examination of this application, in compliance with the duty of disclosure requirements of 37 C.F.R. §§ 1.56, 1.97 and 1.98.

Where the publication date of a listed document does not provide a month of publication, the year of publication of the listed document is sufficiently earlier than the effective U.S. filing date and any foreign priority date so that the month of publication is not in issue. Applicants have listed publication dates on the attached PTO-1449 based on information presently available to the undersigned. However, the listed publication dates should not be construed as an admission that the information was actually published on the date indicated.

Applicants reserve the right to establish the patentability of the claimed invention over any of the information provided herewith, and/or to prove that this information may not be prior art, and/or to prove that this information may not be enabling for the teachings purportedly offered.

Applicant: Allard Appl. No.: 10/656,400

This statement should not be construed as a representation that a search has been made, or that information more material to the examination of the present patent application does not exist. The Examiner is specifically requested not to rely solely on the material submitted herewith. It is further understood that the Examiner will consider information that had been cited by or submitted to the U.S. Patent and Trademark Office in a prior application relied on under 35 U.S.C. § 120. 1138 OG 37, 38 (May 19, 1992).

Applicants have checked the appropriate boxes below.

- 1. This Information Disclosure Statement is being filed within three months of the U.S. filing date OR before the mailing date of a first Office Action on the merits. No statement under 37 C.F.R. § 1.97(e) or fee is required, or
- □ 2. This Information Disclosure Statement is being filed more than three months after the U.S. filing date AND after the mailing date of the first Office Action on the merits, but before the mailing date of a Final Rejection or Notice of Allowance, or action that otherwise closes prosecution in the application, and
 - □ a. I hereby state that each item of information contained in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement. 37 C.F.R. § 1.97(e)(1), or
 - □ b. I hereby state that no item of information in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to my knowledge after making reasonable inquiry, no item of information contained in this Information Disclosure Statement was known to any individual designated in 37 C.F.R. § 1.56(c) more than three months prior to the filing of this Information Disclosure Statement. 37 C.F.R. § 1.97(e)(2), or
 - □ c. Attached is our Check No. _____ in the amount of \$ ____ in payment of the fee under 37 C.F.R. § 1.17(p).
- □ 3. This Information Disclosure Statement is being filed more than three months after the U.S. filing date and after the mailing date of a Final Rejection or Notice of

Applicant: Allard Appl. No.: 10/656,400

	Allowance, but on or before payment of the Issue Fee. Attached is our Check No
	in the amount of \$ in payment of the fee under 37 C.F.R
	§ 1.17(i), and
	□ a. I hereby state that each item of information contained in this Information
	Disclosure Statement was cited in a communication from a foreign paten
	office in a counterpart foreign application not more than three months
	prior to the filing of this Information Disclosure Statement. 37 C.F.R
	§ 1.97(e)(1), or
	□ b. I hereby state that no item of information in this Information Disclosure Statemen
	was cited in a communication from a foreign patent office in a counterpar
	foreign application, and, to my knowledge after making reasonable
	inquiry, no item of information contained in this Information Disclosure
	Statement was known to any individual designated in 37 C.F.R. § 1.56(c
	more than three months prior to the filing of this Information Disclosure
	Statement. 37 C.F.R. § 1.97(e)(2).
4 .	Relevance of the non-English language document(s) is discussed in the present
	specification.
□ 5.	The document(s) was/were cited in a corresponding foreign application. An English
	language version of the foreign search report is attached for the Examiner's
	information.
□ 6.	A concise explanation of the relevance of the non-English language document(s) appears
	below:
7 .	The Examiner's attention is directed to co-pending U.S. Patent Application No
	, filed, which is directed to related technical subject matter
	The identification of this U.S. Patent Application is not to be construed as a
	waiver of secrecy as to that application now or upon issuance of the presen
,	application as a patent. The Examiner is respectfully requested to consider the
	cited application and the art cited therein during examination.
□ 8.	Copies of the documents were cited by or submitted to the Office in Application No
	, filed, which is relied upon for an earlier filing date under

Applicant: Allard Appl. No.: 10/656,400

35 U.S.C. § 120. Thus, copies of these documents are not attached. 37 C.F.R. § 1.98(d).

It is respectfully requested that the Examiner initial and return a copy of the enclosed PTO-1449, and to indicate in the official file wrapper of this patent application that the documents have been considered.

The U.S. Patent and Trademark Office is hereby authorized to charge any fee deficiency, or credit any overpayment, to our Deposit Account No. 08-3038 referencing docket number 11533.0026.NPUS02.

Respectfully submitted,

Date: January 23, 2004
